Method of educational activity: Combined			
Recommended semester	Study programme		
1.year ST	Law (XDŠBc-PR)		
Underlie subjects:			
Conditions for passing the course:			
Method of evaluation: Completion by a continuing assessment			
Continuous evaluation: The condition for passing the course is passing the interim evaluation. Interim evaluation consists of 15 test questions, with each test question containing 3 statements, of which only one is correct. The student gets 1 point for each correct answer. Maximum points a student can score for this part is 15. Evaluation: A: 15 points, B: 14-13 points, C: 12-11 points, D: 10 points, E: 9 points, FX: 8 points and under.			
Final evaluation: Completion by a continuing assessment			
Finished: By ongoing evaluation.			
Learning outcomes: After completing the course, the student will understand the process of creating legislation in the Slovak Republic. The student will gain knowledge about the division of power in the state and how each power authority in the state regulates life in society by regulations. The student acquires knowledge and skills important in working with legal texts and its interpretation. The student will learn the legal terminology of law-making and gain knowledge about the process thereof.
