<b>Learning outcomes:</b>			
After completing the course Slovak Legal History, the student is able to explain the causes of fundamental changes in state forms and law in the territory of Slovakia and their impact on the current socio-political situation and legal order. The student is able to professionally discuss selected important topics in the history of the state in the territory of Slovakia and properly use related historical and current legal terms and formulations in English.			
Either individually or in a group of professionals, the student is able to analyze, synthesize and critically evaluate historical and contemporary professional texts and audiovisual examples related to the issues in question, to take their own professional and argument-supported opinion and to present it orally and in writing.			
The student is able to evaluate the subjective contribution of the completed course for their own professional specialization.			
<b>Schedule of subject:</b>
