4.year WT	Philosophy (XFILO-Bc-E)		
Underlie subjects:			
Conditions for passing the course: Method of evaluation: Completion by a continuing assessment Continuous evaluation: active participation presentation essay Final evaluation: 0 p Finished: In evaluation the active participation is taken into account. Student might gain the evaluation by oral presentation of the problems and their solutions in a given text as well as for writing of an essay.			
Learning outcomes: Aim of the Course: The subject is conceived as a sequel to text seminar addressed to Plato's dialogues entailing themes from political thought. Student will not only adopt knowledge of Plato's thought generally, but also a deeper understanding of a given dialogue as well as plurality of interpretations. Educational Results: Student will gain knowledge of Plato's selected dialogues and also of the problems connected with their interpretation Recommended optional components of the program: none Research and application: none			
Schedule of subject: Due to seminary nature of the course its content is not firmly set and consists in continuous interpretation and discussing of the read parts of the dialogue.
